

MARKETING SUBJECT MATTER EXPERT - GENAI | CONTRACT C2C

Marketing strategy, campaign ops, analytics, and AI workflow translation

New York, NY | alexwelcing@gmail.com | linkedin.com/in/alexwelcing

SUMMARY

Marketing leader with 12+ years across campaign strategy, performance optimization, content systems, analytics, and AI-enabled workflow design. Experienced translating marketing operations into structured logic for technical teams, with a track record spanning global brand programs at Obsess, AI-oriented media partnerships at Arkadium, and hands-on execution in paid media, CRM, lifecycle planning, and multichannel growth.

Campaign Lifecycle

Model Evaluation

Workflow Mapping

SEO + AI Methodology

WHAT I CAN DO

- Domain Training & Annotation: marketing taxonomy design, prompt scenario authoring, structured labeling, and QA.
- Workflow Simulation: campaign lifecycle mapping, decision points, KPI frameworks, and operational dependencies.
- Model Evaluation: relevance, tone, and brand-consistency review with rubric-based feedback loops.
- Performance Marketing: keyword strategy, conversion tracking, A/B testing, and ROI optimization.
- CRM & Automation: segmentation, journey mapping, lead-scoring logic, and lifecycle campaign orchestration.
- SEO Research: query intent mapping, content cluster strategy, and iterative optimization using AI-assisted methods.

RECENT EXPERIENCE

Law Business Research

JAN 2024 - JUN 2026

Technical Product Manager

- Translated business rules into platform capabilities across 10+ products and improved operational clarity for cross-functional teams.
- Shipped type-safe AI API workflows and enterprise SSO onboarding for 150+ AmLaw 200 firms with a high bar for precision and compliance.

Obsess

APR 2022 - MAY 2023

Product Manager

- Led strategy for immersive commerce experiences used by global brands including Alo, Moncler, and Ralph Lauren.
- Drove analytics and platform improvements to support brand consistency, measurable engagement, and go-to-market execution.

Manatt, Phelps & Phillips

AUG 2017 - APR 2022

Developer → Consultant

- Shipped AI-assisted document and publishing workflows where taxonomy quality, precision, and review rigor mattered.
- Scaled legal publishing SaaS from beta to multi-million ARR while bridging domain experts and technical implementation.

MARKETING SUBJECT MATTER EXPERT - GENAI | CONTRACT C2C

Historic marketing experience for workflow mapping, analytics, and campaign optimization

New York, NY | alexwelcing@gmail.com | linkedin.com/in/alexwelcing

EARLIER MARKETING EXPERIENCE

Arkadium

JUL 2016 - AUG 2017

Partner Development

- Signed 20+ strategic partnerships with projected \$1M+ annual revenue and delivered the fastest sales growth in company history.
- Worked at the intersection of knowledge media and AI-oriented content partnerships, translating partner needs into scalable motions.

Texas Print Solutions

MAY 2014 - JUN 2015

Marketing Campaigns Manager

- Launched an HTML5 conversion page and event campaign to open a new vertical, then managed the related production flow.
- Directed an 8-person production and billing operation using lightweight cloud systems for inventory and communication.

Marketing Systems

NOV 2015 - JUL 2016

Consultant

- Planned and closed campaign packages for growth-stage and nonprofit clients, launching web and social programs with measurable ROI.
- Coordinated creative, influencer, and management stakeholders while building repeatable campaign planning workflows.

Goody Goody Liquors

MAY 2013 - JAN 2014

Marketing Coordinator

- Served as first corporate marketing coordinator for a 20+ store retailer, coordinating an agency-led rebrand across print, radio, OOH, and digital.
- Managed analytics and vendor optimization across locations while protecting brand consistency and lowering spend.

YP Marketing Solutions

JUN 2015 - NOV 2015

Digital Sales Executive

- Managed a \$200K+ SEM/mobile pipeline in Salesforce with high-volume activity and weekly meeting velocity.
- Developed search, mobile, and local presence solutions that aligned campaign execution to concrete

Red Bull North America

AUG 2010 - JUL 2013

Culture Intern / Student Brand Manager

- Executed campus and event activations, including SXSW operations, with strong focus on brand storytelling and audience fit.
- Built early foundations in content strategy, experiential marketing, and cross-channel coordination.

Education + Tools

- University of Texas at Dallas - B.S. Marketing
- Texas Academy of Math and Science - Diploma
