COVER LETTER · FACTSET · PRINCIPAL PRODUCT MANAGER, AI DATA SOLUTIONS · NORWALK, CT

Hiring Team at FactSet

I am applying for the Principal Product Manager, AI Data Solutions role (Norwalk, CT).

My pitch for this role is simple: At FactSet, same role as the NY posting, based in Norwalk, CT: owns AI data solutions productizing financial data for AI/LLM workflows My track record — Manatt: AI document scanning + knowledge graphs; High Era; NextDocsSearch — maps directly to the document ai work this role demands.

WHY I AM A STRONG FIT:

- only pursue if open to Norwalk commute.: Manatt: AI document scanning + knowledge graphs; High Era; NextDocsSearch
- CT location may be less convenient than NYC).: Manatt: AI document scanning + knowledge graphs; High Era; NextDocsSearch
- I meet the bar on 'Retrieval / structured data / APIs' — the work itself is in my shipped portfolio.: Manatt: AI document scanning + knowledge graphs; High Era; NextDocsSearch

Packet (résumé, cover letter, and a 30-second role pitch): welc.ing/r/pkt-1o2a98x

I would welcome the opportunity to discuss how I can contribute quickly, operate with high autonomy, and ship for this team.

Best regards,
Alex Welcing
