[COVER LETTER](#) · [ERNESTA INC.](#) · [SENIOR PRODUCT MANAGER](#) · [NEW YORK CITY METROPOLITAN AREA](#)

Hiring Team at Ernesta Inc.

I am applying for the Senior Product Manager role (New York City Metropolitan Area).

My pitch for this role is simple: I'm a product PM who has driven subscription growth at scale. Built contextual, data-informed content systems that drove cross-platform adoption at Arkadium.

WHY I AM A STRONG FIT:

- Ernesta Inc. is building Limited public AI focus; tech-forward DTC commerce platform, configurator, and digital home-design... — my relevant shipped work: Pioneered NLP-driven AI content partnerships at Arkadium, cutting go-to-market time by 25%.
- growth/conversion and platform product wins: Took a legal-publishing SaaS from beta to millions in ARR with enterprise-grade data governance at Manatt.
- Ive shipped the work this role calls for — including: Set the multi-year SaaS platform strategy for enterprise brand deployments at Obsess.

Packet (résumé, cover letter, and a 30-second role pitch): welc.ing/r/pkt-1bsai3j

I would welcome the opportunity to discuss how I can contribute quickly, operate with high autonomy, and ship for this team.

Best regards,
Alex Welcing
