COVER LETTER · RZR · DIRECTOR OF PRODUCT MANAGEMENT · NEW YORK, NY

Hiring Team at RZR

I am applying for the Director of Product Management role (New York, NY).

My pitch for this role is simple: I'm a platform PM who has shipped developer tools at scale. Drove cross-platform adoption of contextual, data-informed content systems at Arkadium.

WHY I AM A STRONG FIT:

- RZR is building AI for audience discovery, contextual bidding, and behavioral modeling; scaling a self-serve DSP... — and my shipped work maps to it.: See [experience.ts](#) (LBR/Obsess/Manatt/Arkadium) for adjacent work.
- platform/API PM and identity/privacy depth (LBR) reframed for privacy-first ad-tech infrastructure: Set the multi-year SaaS platform strategy for enterprise brand deployments at Obsess.
- Ive shipped the work this role calls for — including: Designed and shipped a type-safe workspace for executing AI APIs with live introspection across three internal APIs.

A FEW SHIPPED REFERENCE POINTS:

- Private (growth-stage ad-tech)

Packet (résumé, cover letter, and a 30-second role pitch): welc.ing/r/pkt-1rwi0re

I would welcome the opportunity to discuss how I can contribute quickly, operate with high autonomy, and ship for this team.

Best regards,
Alex Welcing
