[COVER LETTER](#) · [TATARI](#) · [DIRECTOR, PRODUCT MANAGEMENT](#) · [NEW YORK, NY](#)

Hiring Team at Tatari

I am applying for the Director, Product Management role (New York, NY).

My pitch for this role is simple: I'm a platform PM who has shipped developer tools at scale.
Re-platformed the identity & subscription system at LBR, unifying access across 10+ products.

WHY I AM A STRONG FIT:

- Tatari is building AI expansion for measurement/optimization of TV ad spend (2025 push) — and my shipped work maps to it.: See [experience.ts](#) (LBR/Obsess/Manatt/Arkadium) for adjacent work.
- Arkadium platform-PM + analytics/data product work as transferable to measurement, plus AI strengths matching their 2025 AI-expansion push: Set the multi-year SaaS platform strategy for enterprise brand deployments at Obsess.
- Ive shipped the work this role calls for — including: Drove cross-platform adoption of contextual, data-informed content systems at Arkadium.

Packet (résumé, cover letter, and a 30-second role pitch): welc.ing/r/pkt-1ulx1dx

I would welcome the opportunity to discuss how I can contribute quickly, operate with high autonomy, and ship for this team.

Best regards,
Alex Welcing
