COVER LETTER · GUSTO · PRINCIPAL PRODUCT MANAGER, CASH FLOW · NEW YORK, NY

Hiring Team at Gusto

I am applying for the Principal Product Manager, Cash Flow role (New York, NY).

My pitch for this role is simple: I'm a product PM who has driven subscription growth at scale. Built contextual, data-informed content systems that drove cross-platform adoption at Arkadium.

WHY I AM A STRONG FIT:

- Gusto is building AI generates ~50% of new code and handles ~50% of support; payroll runnable inside... — my relevant shipped work: Created CreateSuite: an autonomous multi-agent orchestration platform with git-backed persistence across 6 model providers.
- Arkadium platform + subscription growth work as evidence of owning monetization and complex multi-stakeholder financial product surfaces: Took a legal-publishing SaaS from beta to millions in ARR with enterprise-grade data governance at Manatt.
- Ive shipped the work this role calls for — including: Set the multi-year SaaS platform strategy for enterprise brand deployments at Obsess.

A FEW SHIPPED REFERENCE POINTS:

- Took a legal-publishing SaaS from beta to millions in ARR with enterprise-grade data governance at Manatt.
- Set the multi-year SaaS platform strategy for enterprise brand deployments at Obsess.
